

It is fast approaching that magical time of year and it is a really special time at school with lots of lovely events.

The children have been brilliant in rehearsals for the Christmas show 'A King is Born'. Tickets for the shows (**2 per child only**) have been sent out. Please make sure you have these to hand when you attend your child/s performance. Please be aware that we cannot accommodate toddlers or siblings in the hall, however, if you have a very young baby you are able to bring them as we are aware they might be too young to ask anyone to look after them. All we ask is you sit near an exit, at the back and be kind enough to leave the hall if your baby becomes unsettled. It is such a big expectation for your children to perform in front of an audience and a very full hall and we know you will all want to make sure your children feel as relaxed as possible and everyone in the audience can enjoy the show. We still want to allow you to take photos and recordings of your child's performance but you need to support us with this and agree to **not** record or photograph any other child in the background. If you do capture other children you must not use any images on social media as this can become a civil issue and will impact on future shows. This is a wonderful and memorable event so **please, please** help us as we do not want to have to amend our policy.

With electronic games and devices likely to be a popular Christmas present request, we have found some helpful info. This will help you with how to support and develop your child's understanding of the importance of making safe choices when using technology.
