

3rd October 2023

Dear Parent/Carer

Year 10 GCSE Information Evening – Thursday 12th October 2023

Our Year 10 cohort has made an excellent start to Key Stage 4 and we're very proud of how the majority of pupils have adapted to their new GCSE courses. We hope that they have told you that they are enjoying their subjects and appreciating the sense of maturity and responsibility that comes with being in Year 10.

To help you support your child through the next two years, we would like to invite you to an information evening. During the session senior leaders, will cover the following important points:

- Key dates for the next two years
- Revision advice
- How you can support your child with revision and exam preparation
- Key ways in which the school supports all pupils during their GCSES
- Specific guidance from each subject which will ensure pupils make sustained progress

The purpose of this evening is to introduce parents to Key Stage 4, to help you actively support your child's learning and to provide you with details of the Key Stage 4 curriculum. General questions will be answered, and there will be an opportunity to speak to senior members of staff at the end of the evening, should you have any individual issues or concerns. The evening will also include an opportunity to purchase essential revision guides using cash only if you wish to buy them on the night. These revision guides will also be available to purchase through the school online SCOPAY cashless system following the event.

The information evening will take place on **Thursday 12th October, 6-7pm**, in the School hall and **both parents/carers and Year 10 students are encouraged to attend.**

Although the external examinations in the summer of 2025 are still a way off, the feedback we have received from Year 10 parents/carers in previous years, is that this advance information is very useful.

It would be great to see you at the evening and I look forward to seeing you there. Come along for an update, a chat and coffee at the start of the most important academic years for our Year 10s.

Yours sincerely

Mr J Sayce
Assistant Principal for Progress and Achievement
& Teacher of History
