MESSAGE FROM.... Miss Perry-Warnes, Assistant Principal

This week our Year 7 students have been lucky enough to go out on their annual trip to Eaton Vale. This has been a wonderful opportunity for our new Year 7's to get to know their Tutor, Head of House and those in their tutor group.

Year 7 had the chance to try out many new activities such as archery, crate stacking and the trapeze, as well as time to forge new friendships. It was been wonderful seeing all the students as they returned back from their trips excitedly sharing stories about how they tried new things and supported each other to take on different challenges.

Florence G and Ruby-Lee S were very keen to share their experience with me- Florence said, "We did a trapeze, I'm not a fan of heights and I was the first to go up, but my tutor group encouraged me to jump, it was really fun. I got so confident I did it again!" and Ruby told me "I really enjoyed the crate stacking because I had a lot of help and support from the rest of my team to get to a higher level, I also made some new friends"

Well done to you all for representing the school so brilliantly, this trip has really provided Year 7 the opportunity to really embody all of our House School Values; Kindness, Ambition, Resilience, Honesty and Integrity!

Mr Rolfe and Mr Earl would like to add; we are pleased to report that 718 students in Y7-11 have completed 4 school weeks and not received a single negative mark. Very well done everyone, keep up the fantastic work!

THEME OF THE WEEK for week commencing 2 October
