

Sports Premium 2023-2024

Since the government allocation, from September 2013, of funding to schools in order to support the provision and quality of P.E. and sport we endeavour to utilise this to get the best value for money and maximise its impact across the school. This year we will approximately receive £17,100.

As a result of the additional funding we aim to:

- * Subscribe to the WNDSSP membership and Jasmine to provide subject leads with ongoing curriculum support.
- * Provide time for subjects leads to meet through supply costs to enable discussions around PE assessment and curriculum development.
- * Provide a variety of activities to promote 'Health Week' to support children's mental and physical wellbeing.
- * Take part in workshops and festivals run by 'North Walsham Rugby Club'
- * Provide CPD to teachers to continually improve teaching and learning.
- * Take part in 'Healthy Happy Active' workshops to promote positive mental health and wellbeing
- * Provide lunchtime provision through CSF to keep children active at lunchtimes

Further details on expenditure can be provided upon request. Please note that this is a working document and will be amended throughout the school year. A breakdown of expenditure can be found on the Arden Grove Sports Premium and Funding 2023/24 grid.
