**MESSAGE FROM..... MR TAYLOR, ASSISTANT PRINCIPAL**

Last Wednesday, 1 November, saw our annual Sixth Form Information Evening, which was attended by a large number of Year 11's and their parents/carers. It was great to see so many students looking at their next steps and engaging with our present Sixth Formers, who were Ambassadors on the night. Hopefully all those who attended had an informative and enjoyable evening. For Year 11 students this half term is crucial, as they will be investigating Post-16 options and subjects with their teachers and start making some adult decisions around their future.

In other Sixth Form news, Year 12 have made an excellent start to their Hellesdon Community Project (HCP). So far, they have completed one of the three Phases, a Leadership Phase, which involved a day at Hautbois House, for confidence building, leadership skills and adventure training. The next two phases will culminate at the end of December with two days of charity events. Please watch out for more information about what students will be doing around the school. To see what the Leadership Day was like click here. [Y12 Hautbois Hall Trip - Wensum Trust](#)

For Year 7 to 11, there will be some more bake sales and charity events during this half term so please make sure you watch out for information and then come along and support each event and help raise money for charity.
