### MESSAGE FROM.....MR EARL AND MR ROLFE, PRINCIPALS

#### Secure Site Update

As mentioned in last week's Bulletin, contractors have been on site installing fencing at the front of the school. I am now pleased to inform you that the works have completed and our school is now a fully secure site.

Due to this change, we have removed some of our "one way" systems around school to help students move around easily and safely.

We understand that with this change, students will need to find new routes to their classrooms, which may to start with cause slight lateness to lessons, which we will take into consideration on an individual basis.

However, we will still be challenging students who are persistently late.

### NEWS FROM OUR SIXTH FORM

#### Y12 HCP

Last Term our Y12s took part in the Hellesdon Community Project (HCP) which is a joint venture between Hellesdon Sixth Form (HSF) and Norwich City Community Sports Foundation (CSF).

The Project consisted of three phases:

#### **1. Leadership Phase**

A day at an adventure training area learning new skills and developing teamwork and leadership skills.

#### **2. Learning & Planning Phase**

Time to learn about community action and plan a project to enhance our local community.

#### **3. Charity Phase**

Running an event(s) planning to develop awareness of the work of charities in our community and raise money to support them. These events could also be part of the Sixth Form programme to support our school community.

The final phase took place on 18 and 19 December with students involved in various events, from bake sales, gunge the teacher to a coffee morning organised at Hellesdon Village Hall and many more. They managed to raise over £1300 for local charities as well as reach out to a number of local organisations. A huge well done to all the students and staff involved in the Hellesdon Community Project.
