

Home learning challenges

Dolphin class Spring 2024

<p>We have been learning how the Vikings wove their own material. Create your own weaving loom and have a go at home. If you need some wool just ask. We have plenty in school.</p>		<p>We have made our own Viking pouches. Practise your sewing skills and make another pouch at home. Why not be more ambitious and sew a jacket for your teddy bear?</p>																																																																									
<p>In art we have explored water colour painting and how to create a wash effect. Why not paint a beautiful sunset picture? Instead of a modern sailing boat, why not change it to a Viking ship?</p>		<p>Can you make a model Viking longship using household waste items such as cardboard boxes and tubes? What could you make the mast from, what about the sails? Think about how you can attach them together.</p>																																																																									
<p>How are you getting with learning all of your times tables? How efficiently can you work them out? Try a daily practise for a week and see how you improve.</p>	<p>https://www.times tables.co.uk/</p>	<p>Can you write your name in Viking runes? How about writing your name in Runes on a beautiful pebble using Sharpie pens?</p>	<table border="1"> <thead> <tr> <th colspan="6">Rune Alphabet</th> </tr> <tr> <th colspan="6"><small>(by SonsOfVikings.com)</small></th> </tr> <tr> <th>Rune</th> <th>English</th> <th>Rune</th> <th>English</th> <th>Rune</th> <th>English</th> </tr> </thead> <tbody> <tr> <td>ᚠ</td> <td>A</td> <td>ᚨ</td> <td>J</td> <td>ᚱ</td> <td>R</td> </tr> <tr> <td>ᚢ</td> <td>B</td> <td>ᚦ</td> <td>C/K/Q</td> <td>ᚵ</td> <td>S</td> </tr> <tr> <td>ᚨ</td> <td>C/K/Q</td> <td>ᚠ</td> <td>L</td> <td>ᚹ</td> <td>T</td> </tr> <tr> <td>ᚩ</td> <td>D</td> <td>ᚱ</td> <td>M</td> <td>ᚺ</td> <td>U</td> </tr> <tr> <td>ᚱ</td> <td>E</td> <td>ᚤ</td> <td>N</td> <td>ᚷ</td> <td>V/W</td> </tr> <tr> <td>ᚦ</td> <td>F</td> <td>ᚨ</td> <td>N</td> <td>ᚸ</td> <td>X</td> </tr> <tr> <td>ᚨ</td> <td>G</td> <td>ᚦ</td> <td>O</td> <td>ᚹ</td> <td>Y</td> </tr> <tr> <td>ᚱ</td> <td>H</td> <td>ᚠ</td> <td>P</td> <td>ᚺ</td> <td>Z</td> </tr> <tr> <td>ᚠ</td> <td>I</td> <td>ᚨ</td> <td>C/K/Q</td> <td></td> <td></td> </tr> </tbody> </table>	Rune Alphabet						<small>(by SonsOfVikings.com)</small>						Rune	English	Rune	English	Rune	English	ᚠ	A	ᚨ	J	ᚱ	R	ᚢ	B	ᚦ	C/K/Q	ᚵ	S	ᚨ	C/K/Q	ᚠ	L	ᚹ	T	ᚩ	D	ᚱ	M	ᚺ	U	ᚱ	E	ᚤ	N	ᚷ	V/W	ᚦ	F	ᚨ	N	ᚸ	X	ᚨ	G	ᚦ	O	ᚹ	Y	ᚱ	H	ᚠ	P	ᚺ	Z	ᚠ	I	ᚨ	C/K/Q

<p>In Geography we are learning about maps. Draw a sketch map of your route to school.</p>		<p>In ICT we have been exploring algorithms and coding. Go and play on Scratch and see what you can teach yourself.</p>	<p>https://scratch.mit.edu/</p>
