

Year 3 Home Learning

Spring Term 2024 2nd Half Term

Please complete any 4 activities over this half term to share with the class.

<p><u>Reading – only if you have not already completed this task.</u></p> <p>Please complete a page in the Reading Scrapbook. This will be sent home each week with a different child. You can draw pictures and write captions, write a summary or complete a book review, you choose how to share what is brilliant about your book. This can be any book you love or would recommend.</p>	<p><u>Maths</u></p> <p>Please continue to challenge yourself with regular practice on Sumdog in particular paying attention to learning your times tables. In Year 3 we will be learning our 4 and 8 times tables to build on learning the 2, 3, 5 and 10 times tables last year.</p> <p>If you can't find the sheet with your user name and password then let us know.</p>	<p><u>Geography</u></p> <p>Can you create a quiz on either a particular country or a general geography quiz? E.g. how many oceans are there? How many continents are there? Can you name 5 countries in Europe? Can you think of 3 countries which start with Z?</p>
<p><u>Food technology/Geography</u></p> <p>Can you research foods from another country? Could you pick your favourite and cook it with an adult? Could you share the recipe with us and photos of you preparing and cooking it?</p>	<p><u>Discovery learning</u></p> <p>Can you create a board game for an area of learning we have covered this academic year? Could it be a Stone Age themed game? A race to the top of a volcano game? A game about places around the world?</p>	<p><u>Outdoor learning</u></p> <p>Go on a walk either around your local area, in a park or further afield. Can you either photograph signs of Spring or, draw and label signs that you have seen?</p>
