British Science Week

Next week, our school will be taking part in British Science Week. The theme this year is 'Time'. Our classes will be conducting some practical investigations around this theme, such as 'How long will my boat float?' and 'Do taller children run faster?' The children always really enjoy taking part in Science Week and it will be great to see what they find out!

PFA News

The Valentines disco seems a long time ago! Thank you to the staff and volunteers for helping. Also thank you to Sharon for the fabulous face painting and to DJ Lance for the great music, everyone had lots of fun.

Our Easter Bingo is next Friday (15th March) doors open 5:30pm for a 6pm start. Thank you for all the donations and your support.

World Book Day

It was lovely to see so many children entering the spirit of World Book Day yesterday, whether by coming in costume, bringing in books to share and swap or joining in with the activities during the day. Thank you to parents for your support. Every child was given a book voucher for £1 yesterday, these can be exchanged for one of the World Book Day special £1 books or can be put towards a book which costs £2.99 or more. The following retailers are participating and should have a stock of the £1 books: Asda, Sainsburys, Tesco, The Works, Waterstones and WHSmith. Happy reading!
