## MESSAGE FROM....., MISS A MCLELLAN, ASSISTANT PRINCIPAL

A huge thank you to the parents/carers who met with us during our first ever Parent Forum. The focus was behaviour however it provided us with an opportunity to gain parent/carer views on a wide range of topics. The feedback we received on the new Behaviour System was very positive overall, with a few suggestions made to improve it even further. Following the forum, we have discussed the feedback and as a direct result will be making the following changes:

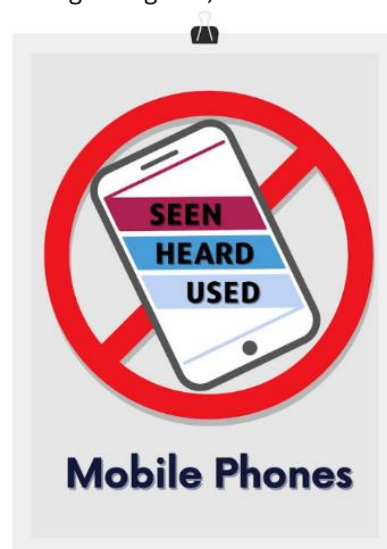

- Y7/Y8 sets will be reviewed for the Summer term
- A proposed change to the reception area to make it feel more welcoming - coming in September 2024.
- A review of staffing levels at lunch to ensure further supervision of students.
- Uniform consultation feedback being reviewed for potential changes for September 2024.
- A change in communication system so parents/carers can access everything through one portal - coming in September 2024.

We value parental contributions so please attend our future Parent Forums. The next topic will be 'Reporting to Parents/Carers' with our Assistant Principal Mr Read, look out for more information regarding this, next half term.
