

22nd March 2024

Dear Parent/Carer

Non Uniform Day for Myeloma UK - Wednesday 27th March 2024

In support of our charity fundraising ethos in school, we will be having a non-school uniform day on Wednesday 27th March, to support the 'Myeloma UK' charity. Myeloma is a type of cancer that develops from plasma cells in the bone marrow. Myeloma is sometimes called multiple myeloma because it affects more than one part of your body.

Students and staff alike are encouraged to support this fundraising event via our Just Giving page, all monies will go to the charity. We would highlight the [dress code](#) for non-uniform which can be found in the parent and carer handbook.

Please support us by going to <https://www.justgiving.com/page/acle-academy-myelomauk-fundraiser2024>

or use the QR code below

We are extremely proud of our students who are always willing to engage enthusiastically in charity based events. We will also ensure pupils are educated about the Myeloma UK charity.

May we take this opportunity to thank everyone at home for your donations to this non-uniform event and in support of an important charity raising awareness.

Please see <https://www.myeloma.org.uk/> for more information about the great work this organisation does.

Yours sincerely

Mr S Newstead

Vice Principal
