MESSAGE FROM....., MISS MCLELLAN, ASSISTANT PRINCIPAL

Last week we held our annual Wellbeing Event. This event aims to promote positive mental health and foster a supportive environment for our students, I am delighted to say it exceeded our expectations.

Throughout the event our students engaged in various activities which focused on mindfulness, stress management, healthy coping strategies and building resilience. The feedback we have received has been overwhelmingly positive and many students expressed how much they appreciated an opportunity to learn about mental health in a supportive and open environment.

I would like to express our thanks to the organisations who attended, to the staff and students who supported and particularly to Miss Thetford our Wellbeing Co-Ordinator at HHS who organised the event. To read more and see the photos go to our [news story](#).
