MESSAGE FROM – MR READ, ASSISTANT PRINCIPAL

Journey to Excellence

Both Year 10 and Year 11 have made an amazing start to the new academic year, working hard in their lessons and showing excellent attitudes to learning. It's clear that this is a vital time for our senior students and no doubt their minds will be thinking more and more about their exams and how to be successful.

For Year 10, they will now have settled into the expectations of their new courses and will be building lots of new knowledge that they'll need come their component assessments or exams in a year and a half. Our Year 11s, however, we be starting to focus carefully on exam practice and how to maximise marks.

Our upcoming Journey to Excellence Evenings are designed to show you how to stay focused on achievement and fulfilling potential.

We look forward to welcoming Year 10 this coming Thursday (10 October) where we will look at the journey across the two years, right the way to examinations. We will think about how to retain knowledge and make the most of the support available to you.

Year 11 parents/carers and students will then join us the week after on Thursday, 17 October to think about how to prepare for the vital PPEs (mock exams) and what good revision looks like.

Once again, well done to all students for their attitudes and commitment over the first few weeks.
