MESSAGE FROM – MISS A MCLELLAN, VICE PRINCIPAL

As we approach the end of the first half term, we are proud to reflect on the many positive achievements of our students. From excellent classwork to extracurricular activities, our school community has embraced the new term with dedication and enthusiasm. We would like to thank everyone, students, staff and families, for making this such a successful start to the new academic year. We look forward to continuing this after the break.

With Halloween coming up, we would like to remind students to prioritise safety and respect for others. Remember not everyone celebrates Halloween so please be understanding of this and only visit those houses where there are pumpkins displayed.

Please complete our uniform consultation as your voice is very important to us in the decisions we will make moving forward.

A Level Film Student Success

Congratulations to Alanna in Y13 who has been appointed as a Youth Advisory Council Member for [Into Film](#), the national charity specialising in Film Education. Alanna shared with us how she is looking forward to sharing her knowledge and skills with other teachers and students in the region and South of England:

"I applied to help me strive towards my future goals in the film industry. I attended my first meeting with other like-minded peers across the UK. We shared our current projects and future aspirations with one another, and film industry professionals. I will be providing feedback on education and classroom-related film content, and hope to inspire pupils about their potential futures in the ever-expanding film industry. I am excited and feel it is providing me with valuable super-curricular experience!"
