

School Council Minutes  
04.11.2019

Mrs Monbiot joined us (representing the school governors).

We met to discuss what the School Council raised at the Autumn Fair on Friday (01.11.2019). The School Council games raised £29.40.

We then discussed things we would like to change/improve about the school.

Ideas produced:

- Climbing wall
- Zip wire
- Slide
- Basketball, football, archery, drama, Nerf-gun or other sports clubs after school
- After school SATs study group
- Add to the trim trail so there is more for the younger children as mostly it is KS2 on the big equipment
- Smaller climbing frame for KS1 to use
- Rope swing for wild play in the woods
- See saw on the field
- Spider swing on the field
- More Numicon for Seals
- More pencils in Dolphins
- More visitors like the planetarium and the Diwali dance workshop
- Class pets (linked to learning so we could write about them)
- Litter pickers

The majority of the School Councillors are keen to be involved in litter picking. They will do this 2 children at a time on a Thursday lunchtime.

Miss Clarke is to discuss this list with Mrs Stroulger and then feedback to School Council at the next meeting.
