Rewards at Hellesdon High School

The new Classcharts shop has been up and running for nearly a week and lots of students have purchased rewards. We have had over 100 sales this week already. It is great to see the students choosing rewards for their hard work both in and out of lessons. Well done to all!

In the shop we currently have the following items.

Christmas Cinema Ticket

Join us in the final week of term for a Festive Film taking place in periods 1 and 2 or 3 and 4 depending on your year group.

When Ford's Dagenham car plant drops female workers' pay, working mum Rita leads her friends in a battle against the mighty company and the corrupted union supposed to protect them. As the women's journey grows, so does the pressure. Can Rita keep up the fight and the happy home she's built?

Gaming Room

Book a timeslot in the gaming room where you'll have access to a range of consoles for you and 3 friends during lunchtime.

50

POINTS

Students can use their credit on Classcharts to purchase these items. We will continue to update the shop with a range of different rewards at different values throughout the year.

All positive achievement marks count towards credit in the shop. Remember that completed home learning submitted on time carries more marks. Completing home learning, as well as reinforcing concepts taught in the classroom, will increase the amount of credit students have to use to purchase rewards. We want to recognise their hard work and good conduct.
