Year 7	Year 8	Year 9	Year 10	Year 11
George’s Marvellous Medicine	Holes	Northern Lights	The Hate U Give	I Must Betray You

MESSAGE FROM..... MR TAYLOR, ASSISTANT PRINCIPAL

With Christmas now a happy memory, Y13 students have very quickly got back into the swing of the new term. The next few weeks will see them revising hard, ready for their Pre-Public Examinations (PPEs) starting in early February. These exams are a real indicator of how well students are doing and any support they may need in preparation for the summer exams. It is also the time of year when Y13 students are starting to receive Conditional Offers of places to study at their chosen university. They now know what grades they need for their next steps – which can be a real motivator!

Last week saw the start of the advice and guidance interviews for prospective Y12 students for Hellesdon Sixth Form. It is always interesting to see Y11 students and discuss courses and next steps with them. It is an exciting time as they work hard and strive to do well in their final exams and enter Post-16 education. Sixth Form Interviews are planned to continue for most of this half term. If you have applied to Sixth Form and not had an interview yet, don’t worry, this will happen shortly - look out for an email.

Finally, a number of our Y12/13 students took part in a visit to Sizewell B nuclear power station recently. This was organised by the Higher Education Scheme (HAS) run through Norfolk County Council. As Harry one of the Y12 students commented “A really interesting, informative and interesting trip - at the end of a long coach ride through Norfolk/Suffolk”!
