## Flashcards are...

- An effective way to consolidate core knowledge
- Promote active revision and recall
- A popular and engaging format (student voice)
- Accessible to all students

A3

You will make a flashcard for every lesson you take of a course this week.

In your first lesson your teacher will model a high quality flashcard based on some knowledge needed for the PPEs.

In your next lessons you will make one independently.

# A4

## SIDE 1

## SIDE 2

Clear ordering

A single question

Concise, **key information** about the question. E.g. bullet points, diagrams, etc.

Q2

**Why have we chosen flashcards?**

# A5

## Good for...

- ★ Summarising lessons or topics into manageable chunks
- ★ Learning facts or quotes
- ★ Testing your memory by returning back to them after time.
- ★ Supporting exam question practice

## Not good for...

- ❖ Improving time-limited question practice

# A6

**Take your revision skill and embed it!**

- Keep your new flashcards safe and organised (hole punch or plastic wallet)**
- Regularly create your own flashcards for all your topics to capture your knowledge**
- Revisit your flashcards on rotation to reactivate your knowledge.**
