# Action Plan

Eco-Schools Topic:  
Waste

Aim:

- To introduce a compost bin in the school canteen for food waste.
- To encourage children and staff to recycle more.

Action(s):

- UKS2 to build compost bin during woodland time
- LKS2 to create posters about the compost bin.
- KS1 to create and share recycling posters.
- Eco council to write letter to waste collectors to come in and speak to school.
- Eco council to do an assembly introducing new ideas.

How long will it take?  
1 school term.

Who is responsible?  
Miss Beard  
Miss Burns  
Eco Council

How we will monitor progress:  
Check plans to build compost bin  
Check use of it during lunch times and break times.

Evaluation:

Eco-Schools Topic:  
Healthy Living

Aim:

- To grow and use our own fruit and vegetable in school garden.
- To discuss mental health and wellbeing issues during PSHCE lessons.

Action(s):

- Each class to spend 1 session clearing and preparing garden for use.
- Teachers to plan wellbeing session once a term.
- Begin to grow some food when garden is ready.

How long will it take?  
1 school year

Who is responsible?  
Whole school

How we will monitor progress:  
Check progress of garden (Photo evidence).

Evaluation:

Eco-Schools Topic  
Marine:

Aim:

- To plan and take part in a beach clean-up.
- To learn about marine life and conservation on World Oceans Day. (June 8<sup>th</sup>)

Action(s):

- To research, plan and attend a beach clean-up (Eco council)
- Teachers to promote marine conservation on World Oceans Day.

How long will it take?  
1 School Year

Who is responsible?  
Teaching staff
