MESSAGE FROM..... MISS MCLELLAN, VICE PRINCIPAL

This week, our school conducted a lockdown drill as part of our ongoing commitment to ensuring the safety and security of all students and staff. These drills are essential in preparing our school community for emergency situations by reinforcing important safety procedures.

During the drill, students practiced following instructions, securing your classrooms, and remaining calm in a simulated emergency. We are proud of how well you responded and took the drill seriously, as your cooperation is key to maintaining a safe learning environment.

If you have any questions or concerns, please speak to your teachers or school staff, they are here to support you.
