

H.S.A Newsletter

February 2025

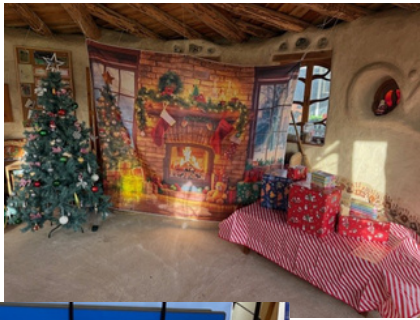

We hope you all had an amazing Christmas and New Year. This year we have got so many things to look forward to and hope you can join us at some of these events. Thank you to everyone who has supported us so far helping at events and donating cakes really does make a difference!

We were able to help support the school with some great things at Christmas, we decorated the Cob House so it could be Father Christmas' Grotto, the children experienced a lovely Christmas dinner with novelty glasses and Christmas crackers, along with a special gift for them to paint and personalise.

Nursery have received some new waterproofs and have a special visitor coming to see them soon.

We tried something different this time with the school disco, every child went home with a glow wand and drinks were available.

Alot of this is new for us so if you have any fundraising ideas please come speak to us. Most importantly we couldn't do it without help, so if there are any events that you are able to help at or would like to get involved with then please come and speak to us - we really appreciate it.
