The things I love most

Travelling to new places and learning about different cultures.

Going to watch live music and festivals.

Cooking new dishes and then sitting down with my family and friends to try them.

Going on walks at the beach.

Playing with and cuddling my cat who is called Ossie.

When I grow up I want to be...

be able to say that I have travelled to Borneo to see orangutans in the wild.

My favourite quote...

Three awesome things to know about me:

2. History is my favourite subject and I love going on trips to museums.

3. I once visited an elephant camp in Thailand where I got to look after and feed the elephants.
