w/c 22 September – Week 2

MESSAGE FROM.....MR TAYLOR, ASSISTANT PRINCIPAL

We were delighted to welcome our Y13 students back to Sixth Form a couple of weeks ago and also to meet our new Y12 students.

After a well-deserved break, we hope they are ready to embrace the challenges and opportunities that lie ahead. The start of this term marks an important phase in the academic journey of our Sixth Form students. For our Y12s, this is the beginning of their post-GCSE studies, and for our Y13s, it's the final push before their A-Level /L3 BTec exams. We understand how crucial these next few months will be, and we are committed to providing the support and guidance needed to help every student reach their full potential.

Both year groups have started strongly and it is great to see the hard work being put in, both in lessons, and during Private Study in the Study Centre. As the senior student in the school they are expected to 'lead by example' - so far they have done extremely well - well done!!

GENERAL NEWS STORIES

PTA - This week the PTA held their AGM and their last meeting with long standing PTA member Christine.

Christine has been a member of the PTA for 15 years and has been instrumental to its running. The support and dedication she has provided over the years and all that she has done for the pupils and school has been truly amazing.

Christine will be greatly missed, but we are sure she will be in touch regularly helping the current PTA with taking over her many roles and responsibilities. The PTA and school would like to say a massive thank you and wish her good luck for the future. As well as lots of happiness in what will now be her newly found and very deserved free time.
