**MESSAGE FROM..... MR TAYLOR, ASSISTANT PRINCIPAL**

Recently Year 12 took part in our inaugural Sponsored Walk, which was a great success — well done to all the students and staff who took part and helped raise an impressive amount for charity. Final figures to follow once we have collected in the last sponsorship money (It's still not too late to donate!!).

Last night was our Sixth Form Open Evening, which was a real highlight. It was wonderful to see so many prospective students and families exploring the school, and we're very proud of our Student Ambassadors and staff who represented the Sixth Form so positively, answering questions and generally helping students make an informed choice for next year.

Also, we had the first Year 13 Progress Grades. These have been shared with both students and parents/cares, offering valuable insight as students continue their preparation for exams and future plans. Please do take the time to discuss these at home.

Looking ahead, we are excited about the culmination of the Hellesdon Community Project, with a Charity Week in December, which will bring our school community together once again to support local causes. Watch out for plenty of fun, but with the aim of giving something back to the community - whether that be through raising money or going out into the community to host events with local residents.

Thank you, as always, for your continued support.

**Goodbye to Mr Champion**

We would like to let you know that Mr Champion has decided to leave the school. Mr Champion has been a valued member of our school community for twenty years and has been an inspirational teacher and a respected colleague. Mr Champion's teaching commitments will be covered by specialist teachers and we will ensure that high quality provision continues. We thank him for his contribution to the school through twenty years of service and wish him all the best for the future.
