A note from our SENDCO

Mrs Beck is our SENDCO across Wells-next-the-sea Primary & Nursery School and Burnham Market Primary School

We are very committed to supporting all our SEND children in the best way we possibly can. We treat all children as individuals and work closely with families to ensure they receive the support they need in order for them to have the most positive start to their education.

What is an SEN Information Report

- ▶ This report is written to help children and their families understand the provision we offer to those with special educational needs and or disability (SEND)
- ▶ We have a legal requirement to share information with you
- ▶ We must review it and publish it annually
- ▶ This requirement is set out in the SEN Code of Practice which can be found here:
[SEN Code of Practice](#)
- ▶ We have worked with our families to ensure this information is clear and hope you find the information you are looking for within! We welcome your feedback and thank you for reading .

Level of SEND in our school

At our school, we pride ourselves on equal opportunity for all. No matter what barriers to learning children may face, we work together with the child, their family and teaching team to ensure they make good progress and are able to enjoy every aspect of school life.

Primary Areas of need

- Communication & Interaction
- Cognition & Learning
- Social, emotional & mental health
- Physical & Sensory

The pie chart represents percentages of primary need in each area of SEND. Please note pupils may have secondary needs that are NOT represented in this data.

What to do if you have concerns that your child has SEN

Our classroom teachers always welcome open and supportive conversations around a child's progress in any area of the curriculum. They are the primary point of contact and can be reached via email through the school office:

office@burnhammarket.norfolk.sch.uk

They are also available at the end of the school day for a short discussions or to arrange a more formal meeting.

The SENDCO Mrs Beck also warmly welcomes communication with families and can also be contacted via email: ebeck6nr5@nsix.org.uk

The logo for Wensum Trust features the text "WENSUM TRUST" in a bold, sans-serif font. Below the text is a stylized graphic consisting of three overlapping, curved shapes in shades of blue and green, resembling a landscape or water.

How do we identify children with SEN and ensure they make progress?

We use the Graduated Approach of Assess, Plan, Do, Review to identify potential SEN and then track our pupil's individual learning needs.

We use various methods of assessment:

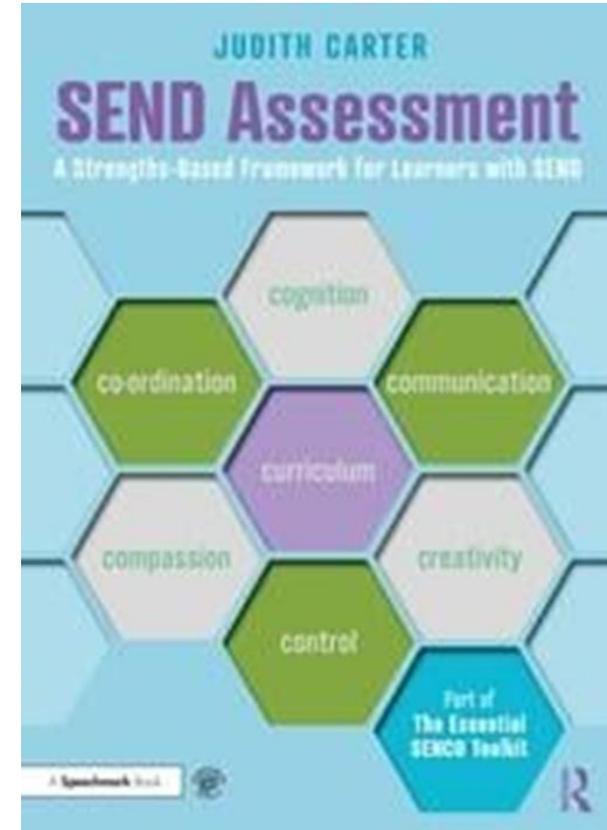

[INDES](#) ● 7C's ● ongoing daily formative assessment ● Summative assessment ● Information from families ● Pupil's own views ● Reports from external professionals ● SENCO monitoring of reasonable adjustments and specific SEN assessments

ALL children's progress in the core subjects is recorded on pupil asset which enables us to monitor progress and make comparisons with other schools' whole school and SEND data

Once a child is identified as having SEN we assess every term using the 7C's approach to help identify pupil strengths and barriers to learning.

(If you click on the book to the right you will find more information)

The 7Cs provides a language of assessment that we can all use. We talk about each skill with the children and together agree strengths and areas for development. This helps us plan next steps and interventions. We are able to monitor the impact of SEN provision as the 7C's helps us capture small steps of progress.

How do we identify children with SEN and ensure they make progress?

There is not one exact process to identify a learning need as each individual learner is unique. Identification begins with observations and discussions by the class teacher, the parents and the SENDCO. Some of the other methods we use are: in-school diagnostic assessments for reading, maths, phonics, vocabulary, working memory, logic, and self-esteem.

Professionals we have access to include, but are not exclusive to: private speech and language therapist, specialist learning support teachers, educational psychologist, schools and communities team, ASD and SEMH specialists.

At Wells we are committed to ensuring that all learners have access to learning opportunities, and for those who are at risk of not learning, we will intervene. Only those with a learning difficulty that requires special educational provision will be identified as having SEND.

WENSUM TRUST

How do we identify children with SEN and ensure they make progress?

If a child is identified as having SEN we will with their family identify areas of strength and areas for development using the 7c's language

Teachers use this information to decide upon teaching adjustments, necessary interventions and write a learning support plan which follows the [graduated approach of Assess, Plan, Do, Review](#)

All information is shared termly with families either via email/phone or in person dependant on individual preference

Education, Health Care Plan (EHCP)

In some cases a child's needs cannot be met through reasonable adjustments and the core provision given to all. In these circumstances we would work with families to decide upon the best course of action and may request an Education, Health Care needs assessment. We support families throughout the entire process.

If a child already has an EHCP when they come to us, we ensure all staff working with the child are aware of needs and all requirements laid out in the plan. An annual review will be held at the school with the child and family at the forefront to review progress and required provision.

How do we ensure our teaching and curriculum is inclusive and accessible to all?

- Adaptive teaching – high quality teaching ensuring SEN support is delivered in all classrooms.
- Extra support for children that need something additional or extra.
- SEN support plans in place for all children on our SEN register – they are reviewed termly in conjunction with class teachers and parents
- EHCPs are in place where necessary to outline the support a child requires.
- External services – e.g. Speech and language, Educational Psychologists, Social and Emotional support teachers
- Educational and Pastoral Assistants employed to support children where necessary

Ensuring pupil and family voice is heard

- **Our school knows the importance of working closely with children and their families in order to achieve the best possible outcomes and support for pupils**
- **Families of children recorded as SEN have termly meetings (face to face or over phone depending on personal preference) with Class Teachers and the SENDCO**
- **Pupils meet with their classroom teacher termly to discuss their thoughts, concerns and progress**
- **All of the above is recorded on a pupils learning support plan**
- **Classroom teachers are always ready to listen to family's thoughts and can be spoken to at the end of any school day or via Class Dojo**

What to do if you have concerns or a complaint

If families are unhappy with any aspect of provision, we strongly encourage you to share this with your child's class teacher and SENCO in the first instance. We will listen and work with you to try to reach a solution.

In the event you feel your concern has still not been resolved you may wish to speak to the headteacher:

head@burnhammarket.norfolk.sch.uk

Should you wish to make a formal complaint please click on the [policy](#) attached

How we support school to school transitions

- **We are very aware that moving on to another school can be very daunting for all children but especially for many with SEND**
- **We will work closely with whichever school you choose for you child when they move on from Y6. This usually starts around Easter but again is dependant on individual need**
- **We tailor our transition strategy to best fit the needs of the individual child. This may include extra visits to the new school for familiarisation and orientation**
- **We do lots of work in school to prepare children for their next steps and always ensure the next school has all of the detailed information they need in order to continue to support your child**
- **We also always listen to families ideas as to how to make this transition as smooth as possible for their child**
- **For children who are new to us, we work closely with their previous school to ensure we have all the information we need to support the child. We offer as many orientation/familiarisation visits as the family would like. This could be led by a peer/peers, or member of staff. We also offer new children with SEND a staggered integration timetable if this is appropriate and supported by their family**
- **Due to the fact that our transition strategy is bespoke, it is under constant review**
