**21<sup>st</sup> November 2025**

### **Parents' Evenings**

Thank you so much to the many parents that attended our parents' evenings over the last week. It's been great to welcome in so many families and share your child's/children's learning journeys with you all. Thank you as always for your continued support of the school 😊. If you have missed this opportunity and would like to chat to your child's class teacher, please do Class Dojo them directly to make a mutually convenient time.

### **An introduction to Read Write Inc. – 2<sup>nd</sup> December**

Learning to read is the most important thing your child will learn at our school. Everything else depends on it, so we do all we can to make sure every child learns to read quickly. We want your child to love reading – and to want to read for themselves. You can help. Throughout the year we will run a series of meetings for parents to learn how we are teaching your children to read, and learn how you can help at home.

We are holding a meeting on 2<sup>nd</sup> December at 9am in the school hall. This will be an introduction to Read Write Inc. phonics to give parents an overview of how we teach children to read. We would love you to join us if you would like to know more about how phonics is taught at BMPS.

### **Cluster Touch Rugby**

On Monday 24<sup>th</sup> November we will be taking two teams to the rearranged APHS Cluster Touch Rugby Festival. The children have been working really hard at lunch time club and in PE last term so it promises to be a great event. Parents of those involved have been notified on ClassDojo.

### **FOBS**

🧑‍🎄 **Winter Fair:** It's 1 week today!!!! We look forward to seeing you all in the school hall from 2.30 on Friday 28<sup>th</sup> December. **PINS 2025**

## **PARENT CARER INFORMATION SESSIONS**

### **SUPPORTING FAMILIES, SCHOOLS AND COMMUNITIES**

Your school is part of a national programme dedicated to supporting those with neurodevelopmental needs in mainstream education called PINS.

PINS stands for Partnership for Inclusion of Neurodiversity in Schools and is a programme delivered by the Department for Education and NHS England.

As part of this work, members from the PINS team will be hosting parent carer information sessions to support meaningful engagement with school communities.

These sessions will provide a safe, welcoming space for families to share their experiences of navigating neurodevelopmental differences in education, and to explore practical ways of working effectively with schools.

Colleagues from Family Action will facilitate these sessions, joined by professionals from the health and care system, ensuring families and the wider school community can connect with professionals working across neurodevelopmental services and SEND. Their expertise will provide valuable guidance, signposting, and tailored advice.

Insights from families shared in these sessions will directly shape the development of training and resources for schools across Norfolk, helping them to better understand and meet the needs of children and young people.

## **YOU ARE INVITED!**

Please find below the details of the information session being held at your school. Please come and share your experiences and offer valuable feedback so that together, we can create meaningful change for children, families, and the school community.
