

This week we have:

- In Maths, Year 1 have been comparing and ordering numbers and amounts within 20 Year 2 have been subtracting a 2 digit number from a 2 digit number
- Year 2—English— We have been busy honing our theatrical skills, ready to WOW all of the grown ups at our Christmas Performance!
- In PE, we have continued to develop our dancing skills, thinking about artistry and matching our movements to real life objects, such as moving silk scarf.
- In Geography, we have been learning to locate the 4 countries that make the UK and their capital cities. We have particularly focused on Scotland and how Scottish people celebrate ST Andrews Day (30th November)

Things to do at home:

Year 1— Please go back through your child's phase 3 phonics folder and practice recognising the sounds that your child may find it tricky to recall. This is **vital** to ensure that your child continues to make good progress with their reading and writing

Year 2— Practise quick recall of number bonds to 10 and 20. This helps your child to develop good maths fluency which will support them in other areas of maths.

Hi-vis Jackets—these should be worn by children, to and from school, everyday. They are part of our winter school uniform. Please speak to a member of staff if your child cannot find theirs.

Year 1 and 2 Newsletter
