Local Memories, Broadening Horizons

What a fantastic week it has been across the school! On Monday, we took two teams to the APHS Cluster Netball Tournament, and what a competition it was. Both teams played with energy, determination and brilliant teamwork. We made it all the way to the final, where we were unlucky to lose against a team from WPNS in a nail-biting shoot-out finish! Every player gave it their all and should be incredibly proud of their performance.

On Tuesday, ten excited Year 3 pupils from Dolphin Class headed off to North Walsham Gymnastics Centre for a very special experience. The children were treated to high-quality coaching and had the chance to try out beam, floor, vault and bars. There were lots of smiles, new skills learned and plenty of fun had by all!

Back at school, pupils have been working hard in class and showing great enthusiasm for their learning. Meanwhile, Kittiwakes Class has been getting ready to shoot their latest film – the excitement is building! If any parents are able to lend a hand with building some sets, your help would be hugely appreciated.

Another great week of learning, teamwork and creativity – well done everyone!

Hautbois Activity Centre Residential – September 2026 – Current Y4 & 5 Pupils

Today is the deadline for funding applications, please make sure you have sent them to the school office if you would like some help towards the cost of the residential. The closing date for signing up to the trip and paying the deposit is Friday 6th February.

Orienteering Mapping and Launch Day – 6th February

With some of the PE Premium money, to make use of the incredible space we have outside, we are having the school site mapped for an orienteering course, which is exciting for PE and also all other subjects as the package includes online cross curricular lesson plans for all subjects covering EYFS - Y6. The school is being mapped on Wednesday 4th Feb, all teachers will be receiving training on how to use the resource that evening and then we will be having a launch morning on Friday 6th Feb where all classes will get to experience our course. We are really excited about having this resource in school and know it will be beneficial for all pupils.
