### **Local Memories, Broadening Horizons**

Kittiwake Class are in full film mode in preparation for their space themed film production. Sets are being built, lines are being learnt, props are being made and the ultimate space ship is being created! This is going to be epic! 10 lucky Kittiwakes will be travelling to London on Monday 9<sup>th</sup> to commence the filming in a purpose-built spaceship set, how cool is that! Watch this space for further updates!

### **APHS Cluster Girl's Football Festival – 2<sup>nd</sup> February**

We will be taking a team to the APHS Cluster Girl's Football Festival on Monday where we will be competing against teams from Wells Primary and Langham Primary. The weather and other events have hampered our preparation time slightly however all the girls are motivated and looking forward to the competition. Good luck team!

### **Orienteering Mapping and Launch Day – 6<sup>th</sup> February**

With some of the PE Premium money, to make use of the incredible space we have outside, we are having the school site mapped for an orienteering course, which is exciting for PE and also all other subjects as the package includes online cross curricular lesson plans for all subjects covering EYFS - Y6. The school is being mapped next week on Wednesday 4<sup>th</sup> Feb, all teachers will be receiving training on how to use the resource that evening and then we will be having a launch morning on Friday 6<sup>th</sup> Feb where all classes will get to experience our course. We are really excited about having this resource in school and know it will be beneficial for all pupils.
