Local Memories, Broadening Horizons

What a fantastic and action-packed week it's been at school! Our girls' football team got us off to a flying start on Monday as they competed in the APHS Cluster Tournament. The girls played brilliantly, finishing second overall and proudly coming away as the top goal-scoring team. An incredible achievement

that reflects their hard work, skill, and team spirit — well done, girls! ⚽👏

We were also excited to launch our new Cross-Curricular Orienteering project this week. The school site has been expertly mapped, staff took part in training on how to use the resource to support active learning, and Friday marked a hugely successful launch day. Every class enjoyed an interactive orienteering workshop, combining physical activity with problem-solving and teamwork across the curriculum.

Creativity was in full swing too as we welcomed some APHS students into school to work alongside Kittiwakes pupils building the sets for the class's next film. Actor Callum was also in school on Thursday and Friday working

closely with our 5 Kittiwake actors, who will be starring in the film. The sessions were inspiring, confidence-boosting and have ensured our actors are ready for filming! 🎬👏

And finally, a delicious highlight of the week — Mrs Teague continued her much-loved baking sessions on Tuesday, working with Seal Class to make chocolate crispy cakes. The children had a wonderful time and the results looked—delicious!

World Book Day – 5th March

We will be celebrating World Book Day on Thursday 5th March, as in previous years your child is welcome to dress up as their favourite book character. More details will follow, in the meantime get your dressing up thinking caps on!!!

Learn About Livestock 2026

We are excited to announce that we will be having some woolly visitors w/c 16th March thanks to FOBS and the Food & Farming Discovery Trusts. A ewe and her lambs will be spending the week in a special pen on our school field so pupils can learn all about them and watch the lambs as they explore and their new surroundings! Further details will follow nearer the time.
