

### **This week we have:**

- In Maths, Year 1 have practising counting in 2s, 5s and 10s. Year 2 have continued with their learning on money and have been looking at how many pennies are in £1 and change.
- In English we have started learning about instructions. We have found features of instructions and even begun to think of 'bossy' verbs that can be used when given instructions. We wonder if you child (ren) can remember a bossy verb from this weeks learning?
- In PE we have started the term focusing on rugby. Our lessons (weather dependent) will now be outside.
- In History, the children have been learning about an artefact that the suffragettes used and how they used it.

### **Things to do at home:**

Year 1— practice counting in 2s, 5s and 10s.

<https://www.topmarks.co.uk/learning-to-count/paint-the-squares>

Year 2— On a trip to the shop, could your child add up the amount of change that you should get?

Hi-vis Jackets—these should be worn by children, to and from school, everyday. They are part of our winter school uniform. Please speak to a member of staff if your child cannot
