

This week we have:

- In Maths, Year 1 have practising recognizing equal and unequal groups, and have been using repeated addition to count the totals. Year 2 have also been doing this but have also been using the multiplication sign (x).
- In English we have started learning writing instructions. We have given instructions orally to ensure that they are clear and precise and have begun to write a set of instructions for making a pizza.
- In PE we have continued to develop our rugby skills which the children have really enjoyed. If your child is interested in joining a rugby club, all Mini's Rugby in Norfolk takes place on a Sunday morning with local clubs including Wymondham RFC, Norwich RFC, North Walsham RFC and Crusaders RFC. Most of these clubs offer free trial sessions too!

Things to do at home :

Can your child give you oral instructions to tell you how to do a task? Follow them exactly to ensure they are clear and precise (even if it means you do it wrong!)

Play Simon Say s using bossy imperative verbs such as “touch”, “wiggle” , “jump”, “turn” etc.

Follow a set of instructions to make something!

Reading books—Change on a Thursday.

Phonics/Spellings Folders—Change on a Wednesday.

PLEASE ENSURE THEY ARE IN SCHOOL ON THESE DAYS!
