**13<sup>th</sup> March 2026**

### **Local Memories, Broadening Horizons**

This week was an exciting one across the school as we celebrated National Science Week, with plenty of opportunities for curiosity, creativity and problem-solving! 🏫🔬 Pupils took part in hands-on science investigations in their classrooms, asking questions, exploring ideas and thinking like real scientists as they carried out practical experiments and discoveries. To finish the week on a high, the whole school took part in a large-scale engineering challenge. Each class focused on different engineering skills as they designed, built and tested their creations. 🏗️ It was a fantastic week of learning, discovery and teamwork! 🌟

Seal Class held a lovely Mother's Day event on Friday afternoon, it is always nice welcoming parents into school, thank you to all those Mum's that came to celebrate with their children.

### **Learn about Livestock week**

Our ewe and her 2 week old lambs will be arriving at school on Monday morning as part of our Learn about Livestock week. They have a pen, complete with a shelter and bedding already set up on the school field! The event, sponsored by the Food & Farming Discovery Trust will allow pupils to get up close to animals and learning about life cycles and where food comes from. Each class will be responsible for feeding and looking after the sheep for a day, they will also be spending time out there, with each class responsible for their own sheep themed activities which include wool art work, creative writing and reading! We will also be having an assembly delivered by Frances from The Food & Farming Discovery Trust. It should be a great week, watch out for lots of photos on Dojo!

### **Look Towards Easter Concert – Friday 20<sup>th</sup> March**

Our Easter concert will be held next Friday at All Saints Church Sutton Cum Ulph, Burnham Market at 4pm. In order to ensure the children are fully prepared, choir next week will last until 4.15pm. We hope to see lots of you there for a lovely Easter celebration.

### **SEND Parents Meetings – Wednesday 15<sup>th</sup> April**

We will be holding our SEND parents meetings during the day on Wednesday 15<sup>th</sup> April, booking forms will be sent home to parents early next week.

### **Turtle Class Trip to Langham Glass - Monday 23<sup>rd</sup> March**

As part of exploring everyday materials in Science, Turtle Class are going on an exciting trip to Langham Glass, where they will be making their very own tealight. The cost of the trip is £8 per pupil, which covers entry to Langham Glass, Carl Clarey from C&R Roofing has very kindly donated enough money to pay for the tealight making element of the trip, thank you Carl. Pupils will be travelling in the school mini buses and will be back at school in time for lunch. They all need to wear school uniform. Parents, please give consent and pay £8 via SCOPAY, it should be a fantastic morning.
