

British Values at Arden Grove are important as they are helping us grow within our school family so we can be a positive and valuable part of democratic society and to help us stay safe and fulfil our school values

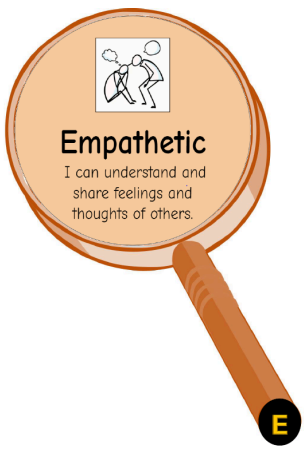

Our School values support being good citizenship now and in the future

Mutual Respect and Tolerance	Rule of Law
➔ We are all included no matter how similar or different. ➔ We are curious and respectful about our own and different faiths, cultures, views and ethnicities ➔ We read diverse books and stories- Windows and Mirrors ➔ We learn about families that are similar or different to ours and celebrate them by sharing our own family and learning about others. ➔ We learn we are part of a class, school and wider local community. ➔ We learn about the local area around our home and school and how to be respectful so we can look after it and enjoy it: Hellesdon in our Hearts. ➔ We follow our rules and think about consequences if we do not. ➔ We take part in Faith Days, learning about different faiths and beliefs. We may look at photos of places of worship or visit these. ➔ We are excited to find out more about different festivals and special days. ➔ We welcome visitors into school and we are curious to share in their own stories and experiences. ➔ We learn about diverse places and people in our lessons. ➔ We take part in whole school events which help us feel connected such as Poppy Day or fundraising events to help others. ➔ We are empathetic to our friends and families and help others in need, such as through charities.	➔ We all know the rules and try hard to follow these everyday! ➔ We all join in jigsaw lessons which help us learn more about being respectful and fair which help us be a positive part of our class and community (citizenship) ➔ We are learning to be Empathetic to understand behaviour and feelings of others as well as the consequences of their actions. ➔ We know that our actions have consequences. We strive to make consequences natural, meaningful and to promote reflection, learning and self regulation. ➔ We are curious to find out more about careers involved in the rule of law
Democracy	**Individual Liberty**
➔ We speak with a voice we know is listened to and we each matter. ➔ We vote on things in class and our vote counts. We do this everyday through voting for our class sharer story. ➔ We want to make good choices and follow the code as this keeps everyone safe and happy. ➔ We know that our classrooms and carpet talks are safe spaces to share ideas, make mistakes and try again. ➔ We learn about a sense of community through our topics, trips and our code: Hellesdon in our hearts. ➔ We talk about our different parts and feelings and we know that all feelings are acceptable and actions have consequences. ➔ We share, take turns and listen to each other. ➔ We can make our school a safe and happy place for everyone.	➔ We are self believers and know we have positive parts about us. ➔ We are free to make choices and know that others are free to make their own choices too. ➔ We are growing our growth mindset so we can take on challenges and risks e.g. in class or outdoor learning. ➔ We share our feelings and thoughts and can name 5 special people we might go to to do this. ➔ We are growing to be more independent and celebrate being an individual ➔ We do all parts of the curriculum and aspire whoever we are and we challenge stereotypes. ➔ We express our views and are respectful that others may have different views. ➔ We learn how to be part of **healthy** relationships and how to spot relationships which are not healthy through PANTS learning. ➔ We learn how to be safe online and what to do if we get worried.

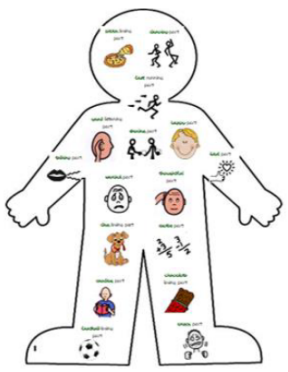

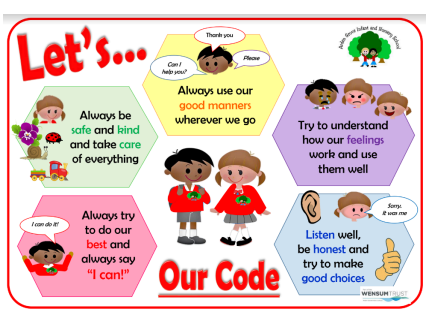

Mutual Respect and Tolerance

‘Learning for all school’	➔ We are all included no matter how similar or different.	 	➔ We take part in Faith Days, learning about different faiths and beliefs. We may look at photos of places of worship or visit these.
	➔ We welcome visitors into school and we are curious to share in their own stories and experiences and learn about these through weekly adventures of Barrington Bear	 	➔ We are excited to find out more about different festivals and special days and take part in these to feel connected.
	➔ We are <u>curious</u> and <u>respectful</u> about our own and different faiths, cultures, views and ethnicities.	   	➔ We are <u>empathetic</u> to our friends and families and help others in need, such as through charities.
  	➔ We read diverse books and stories ➔ We learn about families that are similar or different to ours and celebrate them	 	➔ We learn about diverse places and people in our lessons.
	➔ We learn we are part of a class, school and wider local community. ➔ We learn about the local area around our home and school and how to be respectful so we can look after it and enjoy it: Hellesdon in our Hearts.	Be Safe Be Brave Be Kind	➔ We follow our code and think about consequences if we do not.

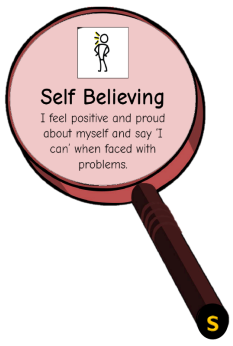

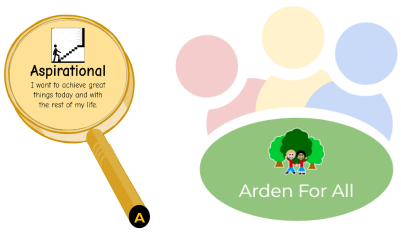

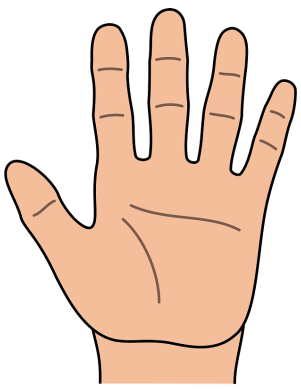

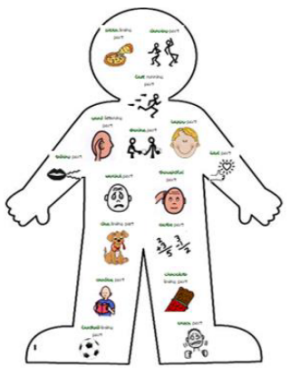

Rule of Law

Be Safe Be Brave Be Kind	➔ We all know the rules and try hard to follow these everyday!
	➔ We know that our actions have consequences. We strive to make consequences natural, meaningful and to promote reflection, learning and self regulation.
	➔ We all join in jigsaw lessons which help us learn more about being respectful and fair which help us be a positive part of our class and community (citizenship)
	➔ We are learning to be **Empathetic** to understand behaviour and feelings of others as well as the consequences of their actions.
	➔ We are curious to find out more about careers involved in the rule of law

Democracy

	➔We speak with a voice we know is listened to and we each matter.
	➔We vote on things in class and our vote counts. We do this everyday through voting for our class sharer story.
Be Safe Be Brave Be Kind	➔We want to make good choices and follow the rules as this keeps everyone safe and happy.
	➔We know that our classrooms and carpet talks are safe spaces to share ideas, make mistakes and try again.
	➔We learn about a sense of community through our topics, trips and our code: Hellesdon in our hearts.
	➔We talk about our different parts and feelings and we know that all feelings are acceptable and actions have consequences.
	➔We share, take turns and listen to each other.
	➔We can make our school a safe and happy place for everyone.

Individual Liberty

	➔We are <u>self believers</u> and know we have positive parts about us.		➔We do all parts of the curriculum and aspire whoever we are and we challenge stereotypes.
	➔We are free to make choices and know that others are free to make their own choices too.		➔We express our views and are respectful that others may have different views.
	➔We are growing our growth mindset so we can take on challenges and risks e.g. in class or outdoor learning.		➔We learn how to be part of **healthy** relationships and how to spot relationships which are not healthy through PANTS learning.
	➔We share our feelings and thoughts and can name 5 special people we might go to to do this.		➔We learn how to be safe online and what to do if we get worried.
	➔We are growing to be more independent and celebrate being an individual
