

Seal Class Takeaway Home Learning - Ticket to Ride!

Care	Read	Bake	Help	Gratitude
<p>Talk to an adult about how to stay safe near the roads. You could make a road safety poster to show at school.</p>	<p>Make up a story with a grown-up about an adventure you could have in a hot air balloon.</p>	<p>Make a healthy packed lunch for a passenger to eat on a train ride.</p>	<p>In the story 'Lost and Found' By Oliver Jeffers the boy helps the penguin. Can you think of something you can do to help someone? It might be someone in your home, at school or a friend.</p>	<p>Write a thank you letter to a bus/boat/taxi/train driver or aeroplane pilot after you have returned from a journey somewhere using one of these modes of transport.</p>
Discover	Make	Maths	Seasonal	Move
<p>Think about a journey you often make. Can you draw a simple map showing some of the things you see on the journey?</p>	<p>Can you build a boat for any of your toys? Make sure it is big enough for them to fit in. You could use a box and decorate it. What could you use for oars? Take a picture of it to show your class.</p>	<p>Build a vehicle using empty 3D packaging. Which objects would be best for the wheels? Which objects would be best for the windows? Take a picture and bring it into school.</p>	<p>Make a weather chart to show what the spring weather is like each day.</p>	<p>Go for a walk with a grown-up. What letters and numbers can you see on the number plates of parked cars? Can you see any letters of your name? Can you spot numbers 1 to 9?</p>

We hope you enjoy completing 6 of the above Home Learning suggestions with your child. We would love to see what you have been up to and look forward to you sharing on Dojo.

Thank you for your support.
