## Lodge Lane Infant School Uniform

This is to tell you about school uniform and how to order it.

In the other attachment you will find a list of our uniform – we are fairly relaxed about the styles of trousers and dresses etc, as long as they are the right colour. For example, some children find jogging bottoms a lot easier to manage than formal trousers.

### Where to purchase it

Sweatshirts, cardigans, polo shirts, book bags and PE bags with our school logo are available to order online from Birds of Dereham, using the following link:

<https://www.birdsofdereham.com/shop/category/lodge-lane-infant-school-774/>

Name labels are also available.

To get them before the end of term, you need to order by **Wednesday 1st July**. If you miss this deadline, you will not get them until the second week in September.

Birds offer a free delivery service to our school. You need to enter the code **LODGE LANE 21** at checkout or you can pay a £5 additional charge to have your order delivered directly to your home address. If you choose to get it delivered free to the school, we will email you when it is ready to collect.

Please allow up to two weeks for delivery. Any queries please call Birds on 01362 692941 rather than the school office.

If you have completed a form (with your Admission Form) to see if your child is eligible for Pupil Premium funding and it is agreed by Norfolk County Council that your child is eligible, we can order £35 of uniform on your behalf once you have let us know what you would like. You will be entitled to £35 uniform each year. Please liaise with the school office about this.

### Second Hand Uniform

We also run a second hand uniform shop where we ask for a donation of 50p per item. We have a range of sizes and clothes with and without the school logo and these will be available at you visits to the school in the summer. All of our second hand uniform is washed and in good condition. All proceeds are donated to the Friends of Lodge Lane. Available stock is in the school foyer.
