[w/c 27 April - Week: 1](#)

MESSAGE FROM..... MR SULLY, ASSISTANT PRINCIPAL

As our Year 11 students officially embark on their final examination season, we wanted to take a moment to express how incredibly pleased we are with the progress they have made. This is a significant milestone in their journey to excellence, and we have been thoroughly impressed by the maturity and focus they have displayed since their return from the Easter break.

We are exceptionally proud of the commitment our students have shown. In particular, we would like to highlight:

Positive Attitude to Learning: Students have approached their studies with a commendable level of focus and determination, creating a purposeful atmosphere in our classrooms.

Commitment to Intervention: The dedication shown by students in attending our additional support and intervention sessions has been exemplary. This extra effort is a testament to their desire to succeed.

Independent Revision: We have seen a significant increase in engagement with independent revision. The work happening at home and in the Year 11 is clearly paying off and building the necessary confidence for exam success. Please continue to encourage students to engage in these as the exam period begins.

Maintaining Our Community Standards

To ensure our exam candidates have the best possible environment, we ask **all** parents/carers to remind their children of the importance of being considerate on site. Please encourage all students to move quietly and calmly throughout the school day, ensuring they are respectful of the quiet required for those currently sitting assessments.

We would like to thank Miss Thetford for her extremely hard work in arranging the event and to Mrs Mascall, Mrs Jewiss and Mrs Lawson who also worked really hard behind the scenes supporting Miss Thetford.

We would also like to thank our Young Carers who volunteered to help at the event on the Craft tables and signing people in. We are going to do a full write up on the event next week with lots more photos so please keep a look out for it.
