Happy Half Term . . .

The first half of the Summer term has flown by, and it has been brilliant to see how much the children have achieved in such a short time.

During this final week, the children have enjoyed a wonderful International Week learning all about Costa Rica. They have fully immersed themselves in the country's vibrant culture, explored its incredible rainforest wildlife, and discovered the meaning of "Pura Vida." It was an enriching week of discovery across all year groups.

We wish you all a fantastic half-term break and look forward to welcoming everyone back on Monday 1st June.

When we return, the children will dive back into their termly topics. Reception will explore the theme of "Journeys," while Year 1 and Year 2 will continue to investigate "Get Set Go". Please keep an eye on Tapestry to see updates on their amazing learning.

As we move into the second half of the Summer term, we will focus on preparing the children for the next stage of their education. We have planned numerous transition activities to help them feel confident, including a three-day transition period in July, information-sharing sessions, and visits with their new teachers.

Finally, as the weather warms up, please ensure your child comes to school each day with a sun hat, water bottle, and applied sun cream. A light jacket is also recommended for those unpredictable weather days!

Please take time to read our regular newsletter as we use this to try to keep you informed of all the different events taking place in school. Information is also available on our school website; please visit www.heatheravenue.co.uk, our Facebook page [Heather Avenue Infant School](#) or follow us on twitter [@HeatherAvenue](#).

Attendance Reminder

We know that sometimes children are just too unwell to come to school and obviously this cannot be helped.

However, for other issues impacting on attendance we are here to support your child in coming to school each day – please do talk to your child’s class teacher, myself (Miss Coleman/Executive Head Teacher), Miss Lilley (Head of School) or Mrs Muff (our Parent Support Adviser) if you would like further support.

If you would like to access other support, please scan the QR code below

Attendance is a national concern and one which all schools are trying to address. We are grateful for your support and recognise the efforts that you all go to, to ensure that your children are in school on time each day – Thank you.

Parking around school

Please be incredibly mindful of our residents and the safety of our children when parking around school.

Please do not park or stop in the box outside of the school gate.

Thank you for your continued support in this matter.
