

This week we have:

- In Maths, year 1 have been comparing two digit numbers using the language 'greater than' 'less than' and 'equals to' and then using the symbols that accompany this.
- In English we talked about the year we have had and the children had a go at writing their own reports. They thought about what they have enjoyed this year and why and then reflecting on something they would like to get better at. These will be coming home later in the term!
- Year 1 had a fun science experiment lesson where they were scientists and had to predict and observe what happened when one raisin was put in water and another in lemonade. Lots of children were correct when they thought the bubbles would make the raisin bounce! You might like to try this at home.
- Year 2 have had an exciting few days at Horstead. We hope they had a fantastic time and looking forward to hearing all about it next week!

Things to do at home:

Keep reading your school reading book and practicing words and sounds that are in spelling/phonics folders.

Reading books—Changed on a Thursday.

Phonics/Spellings Folders—Updated on a Wednesday.

PLEASE ENSURE THEY ARE IN SCHOOL ON THESE DAYS!

Year 1 and 2 Newsletter

Week beginning:

1st June 2026

Important

**Tuesday 16th June—
sports day morning**

**Monday 29th June—
Year 1 trip to How Hill**

**This week's newsletter was
