**26<sup>th</sup> June 2026**

### **Local Memories, Broadening Horizons**

Our Year 5/6 cricketers had a great afternoon on Monday at the APHS Cluster competition, playing against Wells Primary and Langham Primary. We won our first game against Langham in what ended up being a close game, with only 11 runs separating the teams. In our 2<sup>nd</sup> game against Wells, everybody upped their game, batting, bowling and fielding superbly which resulted in a fantastic win and us being crowned champions!! Well done to everyone that played.

Next week we look forward to cluster tennis, our Childnet film makers head to the London awards on Wednesday and transition is also next week. Its going to be another busy week!

### **Thank you**

We wanted to thank you for your support during this week of extreme heat. We have worked hard in school to keep children as comfortable as possible during these record-breaking temperatures, and we really do appreciate you working with us to make sure children had everything they needed to continue their learning during this tricky week.

### **Welcome Mr Shenston**

We are delighted to welcome Mr Shenston to our team as our new site assistant. You may have already seen him around our school site helping to make sure everything is working well and looking after our buildings. We are very happy to have you as part of the team Mr Shenston!
