

10 July 2026w/c 13 July-- Week: 1**MESSAGE FROM..... MR SULLY, ASSISTANT PRINCIPAL****Celebrating Year 10 PPE Success and Looking Ahead**

As we approach the end of the academic year, we want to take a moment to express just how pleased and proud we are of our Year 10 students, who have now officially completed their Pre-Public Examinations (PPEs).

With these exams concluded, our students are officially halfway through their journey to excellence. It is a major milestone, and they have risen to the occasion brilliantly.

Throughout the entire PPE period, the maturity displayed by the majority of Year 10 has been superb.

We want to remind parents/carers that PPEs are not just about a final grade; they serve two vital purposes:

1. To celebrate the progress students have already made.
2. To identify any gaps or support that students may need to gain more marks moving forward.

With this in mind teachers have already been engaged in targeted reteaching that will directly address common misconceptions identified in PPEs. This is something that will continue through into September. Furthermore, additional tuition and focused interventions will be made available to any students who require extra support to bridge those gaps.

We view education as a team effort and deeply value our partnership with you. Together, we will continue to support, guide, and encourage our students as they transition into their final, crucial year. For now, they have earned a well-deserved rest. We look forward to welcoming them back after the summer break, fully reinvigorated and ready to conquer Year 11.

Thank you for your continued support.

THEME & WORD OF THE WEEK**for week commencing 13 July 2026****THEME – “Should school trips be used as a reward?”****WORD – Assist****GENERAL NEWS STORIES**

French Student Visit - We will be welcomed 13 French students aged 14-15, this week to HHS. They were buddied up with our Year 9-10 students. The students attended lessons and spent social times with our students. They also sat in the Nest with our EAL students and did some word games. It has been a successful week and we are sad to see them go. Thank you to Ms Kemp for organising this fantastic opportunity for both the French students and HHS students.

Camps International Trip – This week some of our students and Mr Valente started their Camps International Trip to Ecuador! We look forward to hearing how they get on when they return!

NEWS FROM OUR SIXTH FORM

Farewell Mrs Kelleway

As the end of term approaches, we say a very fond farewell to Mrs Kelleway, Head of Year 12 who will be leaving us at the end of this term. Mrs Kelleway has taught at Hellesdon for 28 years, so we wish her all the very best for the future, as she enjoys a very well deserved break. Some of our Y12s organised a tea party to celebrate with her last week.

GCSE results/Enrolment day

We wish all Y11 students the very best of luck with their GCSE results. The Sixth Form team will be present in the sports hall on 20 August for students to enrol on their chosen courses, offering advice and guidance. For any questions about enrolment, please email sixthform@hellesdon.net.

Attendance Matters

We're committed to working with parents and carers to ensure your child feels happy and safe in school. If you have any questions or concerns, please contact the school office.
