

This week we have:

- In Maths, Year 1 have continued their focus on place value looking at 'less, fewer and more' and using comparative language to compare amounts. Year 2 have been practising counting in 2s and 5s.
- In English we have continued our learning with our focus book 'troll swap' and have been writing in first person for a diary entry. Yr 1 have begun to write short sentences based on what they can see.
- In DT, we have continued looking at our focus question that is "*where do I belong?*" and continued to create our own shield to represent 'us'. We have been taught how to use powder paint this week to create bright and vibrant backgrounds for our shields.
- In Science we have been looking at the 4 seasons and the changes that happen within them. We wonder if you can spot any signs of Autumn on your journey to/from school?

Things to do at home:

This week your child has come home with a piece of paper with a list of different jobs we need school leaders for. There is a definition for each leader role and what it will entail. Please discuss with your child if they would like to become a school leader, which one and then write a short statement about why they would be a good candidate for this role.

Sheets to be returned Monday 5th October

Year 1 and 2 Newsletter

Week beginning:
28th September 2026

Don't forget!

Please read at least 3 times a week with your child and write it in their reading record.

Your child has also come home with phonics folders, please look at these and practice writing the sound in words.
