

This week we have:

- In Maths, Year 1 have continued their focus on place value, learning about parts whole models (see picture). Year 2 have been completing assessments for learning so we are able to identify gaps and what material we need to cover again.
- In English we have continued our learning with our focus book 'troll swap'. This week Year 2 have planned to write our own version of the story, in which we have changed the characters. We will work on writing the story next week! Year 1 have been writing a sentence about a character.
- Last week in Geography we learnt that there are 4 countries in the United Kingdom: England, Scotland, Northern Ireland and Wales. We developed this further this week and learnt the name of the capital cities of each of these countries. A capital city is where the Government of a country are based, lots of children recognised the Houses of Parliament and No.10 Downing Street from seeing it on the news!

Year 1 and 2 Newsletter

Week beginning:
5th October 2026

Don't forget!

Please read **at least 3 times a week** with your child and write it in their reading record.

Your child has also come home with phonics folders, please look at these and practice writing the sound in words.

Things to do at home:

Can your child tell you the name of the 4 countries in the UK?
Do they remember what a capital city is—and what are the capital cities of the countries in the UK?
