TUESDAY	**Year 4 PE**
WEDNESDAY	**Year 5 PE and 6H Swimming** **Rocksteady - PM**
THURSDAY	**Year 3 PE**
FRIDAY	**SCHOOL CLOSED**

Other news ... Important information - please read

Dear Parents & Carers,

As we come to the end of our first half term of this academic year we would like to thank you for all of your continued support. I would especially like to thank you for your patience whilst we introduce our new system for allowing vehicles on the school site. Please be aware that any vehicles that staff do allow on-site have a very valid reason for being there. Parents and adults in these cars should not be approached by anyone other than school staff and certainly should not be subjected to verbal abuse. Unfortunately, we have had reports of parents being subjected to this. I am sure that we all want a safe and secure site for users.

A reminder that school finishes on Thursday for the half term holiday. We will be holding our first Open Classroom event of the year at 2pm on Thursday afternoon. You are all welcome to visit your child's classroom, see where they sit and look at some of the work they have been doing this year. If you have more than one child in school we would recommend visiting your oldest child's classroom first.

Kindest regards,

Mrs Robinson & Mrs Philpott

Class Chart Points

Following a request from some parents we have published a guide to our use of negative points on Class Charts. Please note that this is not an exhaustive list. Each incident of poor behaviour is reviewed before being added to the Class Charts system for you to see.

IMPORTANT - please read carefully and action

Healthy Lunches/snacks

We have noticed that some children do not have what is considered to be a balanced healthy lunch in their packed lunch box. In order for the children to feel 'full' and have the energy for learning throughout the afternoon they need to have a balanced lunch. Below is a link to the NHS Healthier Lunchboxes webpage. This includes recipes and tips on what should be included for a healthy and filling packed lunch.

Lunchbox ideas and recipes – Healthier Families - NHS

This also applies to their snacks provided for mid morning break. Please provide fruit or vegetables or a cereal bar. No whole grapes due to choking risk. Grapes should be cut in half lengthways to avoid this risk.

Mental Health Support Team (MHST) – Supporting Children and Young People

The Mental Health Support Team (MHST) works with schools, children, young people, and families to promote positive mental health and emotional wellbeing. Our team provides evidence-based early intervention support for mild to moderate mental health difficulties, helping young people develop coping strategies and build resilience.

We work closely with school staff to deliver workshops, consultations, assemblies, and targeted interventions, ensuring that mental health support is accessible within the school environment. Our aim is to empower children and young people to thrive both emotionally and academically while supporting schools to develop a whole-school approach to wellbeing.

If you would like to learn more about the support available through MHST, please speak to your school's MHST link practitioner.

Upcoming Webinar Dates and Times

Wednesday 21st October 6:30pm-7:30pm- Better Sleep
Webinar link: https://nhs.vc/norfolk-waveney-mhst-webinars

Crossing patrol

Please note that we have been informed that there will be **no** crossing patrol on the following dates:
2nd November 2026 and 20th November 2026

Illness/Reporting Absence

Please report absence via the school office either leave a message on the absence line or email to the school office. You can also report absence via ParentMail. Please see the NHS guidance here regarding keeping children off school if they are ill.

Uniform

Please could we remind you all that our uniform is **black school shoes or trainers, black** skirts, shorts or trousers (**no leggings**), a **white shirt (no t-shirts or polo shirts)** and **royal blue** cardigan or jumper and a **tie**. Girls skirts

must be of a modest length please. This also applies to the **girls PE shorts, which must not be too short.** They will be asked to wear an alternative if they deemed an inappropriate length. If you are having any difficulty in purchasing a uniform please come and speak to Miss Wright or Miss Atton in the office, in the strictest confidence. Children should come to school wearing their PE kit on their PE day and swimming day. Long hair must be tied back for health and safety reasons. Please, name all items of school uniform if you would like it returned to your child. The lost property box will be emptied every half term and put in the clothes collection charity box in the school foyer.

Road Safety

If your child cycles or scooters to school please can you discuss road safety with them. We would like to see children wearing safety helmets too please. We regularly receive reports from our community of children not crossing roads safely.

Allergy Awareness

As has been the case for a number of years, we aim to be a nut free school. This is due to severe allergies of some children in our school. Please help us to keep them safe by refraining from including nut products in your child's lunchbox. This includes whole nuts, nuts in cereal bars, peanut butter and Nutella.

We are also asking for **no egg** in packed lunches, this is due to severe allergies, including airborne allergies, of children in our school. Please help us to keep them safe by refraining from including boiled eggs and egg mayonnaise in your child's snack and lunchbox.
